RE: Articles, Letters to the Editor, and Advertisements

All articles and advertisements for the Cascade News must convey information regarding the Town of Crescent Lake and the surrounding area in a positive informative manner.

Letters to the Editor typically will not be reprinted in the newsletter. However, if we receive information that corrects a substantive error in an article that members of the Editorial Board have created, then a correction will be printed in the next issue of the Cascade News. If a correction is received regarding an advertisement or an article that has been submitted to us for publication, then the letter will be forward, if possible, to the responsible party.

The Editor and/or the Editorial Board reserve the right to reject articles and advertisements based on tone and information.
